## **Shattered souls rebuilt. Self-respect restored. Destinies transformed.**

AMIT Frisch Beit Hayered and Kfar Blatt Youth Village save lives on a daily basis. Thousands of children, ages 6 -18, escape abuse and neglect and come to AMIT. Our homes are their safe haven and source of loving care. Children live in family units with surrogate parents and receive special attention from professional psychologists and other therapists. AMIT empowers the children in our care to dream about a future of love, laughter, hope and success. As a result, the vast majority go on to live independent and fulfilling lives.

**Join this effort by participating in the AMIT Frisch Beit Hayered and Kfar Blatt Youth Village \$10 Million renovation campaign.**

**Create your own masterpiece. Change destiny.**
